Dear Representatives Frelinghuysen, Lowey, Diaz-Balart, and Price:

On behalf of the members of the States for Passenger Rail Coalition (SPRC), Inc., I would like to thank you and your subcommittee colleagues for your leadership and commitment to intercity passenger rail as evidenced in the recently enacted Consolidated Appropriations Act 2018 (PL 115-141)

SPRC is especially pleased with the increased funding made available to state-sponsored intercity passenger rail services in the Federal Railroad Administration (FRA) intercity passenger rail discretionary grants, TIGER grant program, and Amtrak. These FFY 18 funding levels represent a substantial level of investment in the national network to enhance safety and strengthen both the Nation's rural communities and the regional economic centers.

As you move forward in advancing deliberations on the FY 2019 Transportation, Housing and Urban Development and Related Appropriations, the SPRC members stand ready to provide testimony and to meet with the Committee, your staffs and you at your convenience.

Sincerely,

David B. Kutrosky
Managing Director, Capitol Corridor Joint Powers Authority
Chair, States for Passenger Rail Coalition, Inc.

About the Coalition

The States for Passenger Rail coalition, Inc., consists of 20 State departments of transportation and four passenger rail authorities from across the United States who work together to support the development and growth of all intercity passenger rail service. Additionally, our Coalition states sponsor 29 intercity passenger rail (IPR) routes serving 296 communities across America and represent nearly half of Amtrak national ridership.
